

handle\_event

```
graph LR; A[handle_event] --> B[only_8ball_remaining]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'handle\_event'. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white with a black border and contains the text 'only\_8ball\_remaining'.

only\_8ball\_remaining
